

Assignment #2: Thesaurus

- 12 preferred terms (min)
- Hierarchical relationships (Broader Term/BT, Narrower Term/NT) x1
- Associate relationships (Related Term/RT) x2
- Equivalency relationships (USE, Use For/UF) x2

User Group: The following thesaurus describes a selection of consumable goods found in my fridge and cupboard, as well as activities related to cooking and preparing food. The terms are arranged alphabetically. The target user group is myself for personal use, but the thesaurus can be scaled up and expanded upon to accommodate a wider set of users who are interested in cooking, possibly for a database of recipes.
