CO-OP Student, IT Software Development

Job requisition number
036609
Job location
Richmond
Full-time / part-time
Full-time
Posting period
From 11/30/2021 to 12/07/2021

Overview
Are you interested in applying your talents and knowledge and gaining valuable experience to support worker health and safety? Working on
our IT team is a unique opportunity to do work that matters. We provide a highly-collaborative environment where co-op students can learn,
contribute and develop their skills working on challenging projects that help make a difference to the workers and employers of B.C. We are
seeking a student to work in our Application Delivery department for a 4 or 8 month work term starting in January 2022.
This is a hybrid based position and the student will be working remotely with ad hoc days on-site as operationally required.

What you'll do
As a Software Development Co-op student, you will:
Develop software with various tools and technologies:
• Languages and Frameworks: Java, JavaScript, HTML, etc.
• Database: MS SQL, DB2
• Testing: JUnit, Selenium, JMeter
• Cloud: Azure, Application Insights, Application Services
DevOps and Agile:
• Fast paced Scrum sprints
• Operational metrics, monitoring and shift-left problem identification and resolution
• Continuous Integration, Continuous Delivery
• Writing and maintaining test automation scripts
• Test automation

Is this a good fit for you?
We're looking for someone who can:
• Contribute to a positive work environment by collaborating and working effectively as a member of the team
• Think critically while also having fun working through complex problems
• Demonstrate knowledge with at least one of the programming languages or technologies mentioned above, while pursuing experience growth and development in large scale enterprise systems sustainment and development
Your experience and educational background:
• Enrolled in a computer science or computer engineering related program
• Previous co-op or relevant work experience in an office environment preferred
Application Instructions:
• A cover letter, resume and transcript are required

• Submit all documents in one file (system accepts Word or PDF files)
• The posting will close at 4:30pm on the closing date of the competition
If you require an accommodation in the assessment process, please email HR Test Accommodation (SM) at the time you submit your application.

Who are we?
At WorkSafeBC, we're dedicated to promoting safe and healthy workplaces across British Columbia. We partner with workers and employers to save lives and prevent injury, disease, and disability. When work-related injuries and diseases occur, we provide compensation, and support injured workers in their recovery, rehabilitation, and safe return to work. We also work diligently to sustain our workers compensation system for today and future generations. We're honoured to serve the 2.4 million workers and 245,000 registered employers in our province.

As part of our mandate, we have introduced an interim mandatory employee policy intended to prevent the transmission of COVID-19 andprotect the health and safety of our employees, clients, and the public.

Effective November 1, 2021, WorkSafeBC will require all employees who interact in person with employers, workers, members of the public, or other WorkSafeBC staff to be fully vaccinated against COVID-19. In implementing the policy, WorkSafeBC will consider its obligations to accommodate those staff who are unable to be vaccinated.

We recognize that our ability to make a difference relies on building a team with a rich variety of skills, knowledge, backgrounds, abilities, and experiences, and which reflects the diversity of the people we serve. We are committed to fostering a welcoming, inclusive, and supportive work culture where everyone can contribute as their best, authentic self. We encourage all qualified applicants to apply.

What's it like to work at WorkSafeBC?
It's challenging, stimulating and hugely rewarding. Our positions offer tremendous diversity and excellent opportunities for professional growth. Every day, the work we do impacts people and changes lives. What we do is important and so are the people we do it for.

Learn more about what we offer.

This position is restricted to those legally entitled to work in Canada.

Thank you, in advance, for applying.

To learn more about our co-op opportunities, meet Simran and learn how his experience here helped him build his skillsets and expand his knowledge.
