Subject: Reference Request – Cathy Liu

Dear Allen,

I hope you are staying well and healthy. I'm glad that you are having fun at the Christmas Dinner this year.

I am currently seeking employment as a Software Developer intern and am wondering if you'd be comfortable providing a reference for me. Having worked with you for a year and a half at Midland, I believe you can provide employers with specific information about my skills and qualities.

I have attached my most recent resume. Please let me know if you need any additional information to act as a reference on my behalf. Thank you for considering this request.

Best Regards,

Cathy Liu
