Dear Mrs. Trinh

Please consider my application for Registered Dental Hygienist (RDH) position within your dental office. I was very interested to read your announcement on the Canadian Dental Hygiene Association job board as I am looking for a part time position.

I have three years of clinical experience as an RDH within busy and fast paced dental offices. I can successfully assess patient's needs, provide patient centered care in a timely manner, while following the dental hygiene process of care. I have successfully worked with a diverse range of patients (Age 2- 90) over the last three years. I can clearly communicate the dental and dental hygiene treatment needs of the patient with the dentist and collaborate with dental professionals to provide the best dental care.

Your dental office's mission statement of "providing highest quality of dental care in a comfortable, relaxed and friendly environment" resonates with my values. I excel at alleviating patient anxieties, with a calm, reassuring presence for clients with dental anxiety. Patients have always found me to be quite personable, making them feel very comfortable from the first interaction. I have earned competency in clinical skills by achieving proficiency in scaling, root planning, dental impressions, applications, polishing, irrigations, X ray development, nutritional counseling, tobacco cessation and health promotion.

Having an ethical and safe work environment where everyone is respectful and supportive are values, I can align myself with. My colleagues have found me to be respectful, team oriented, collaborative, and a diligent learner. Ensuring a pleasant and rewarding dental visit for the patient generates a high level of satisfaction; it is key for repeat business. My ability to provide customer service and speak four different languages (Hindi, Punjabi, Bengali and English) is an additional asset associated with my candidacy considering your clientele are from varied backgrounds.

I would welcome the opportunity to be interviewed for this position and look forward to hearing from you. I will follow up regarding this application next Monday. Thank you for your time and consideration.

Regards,

Trisha Bhamra, BSc., RDH
