Job Description:

VCA Canada Tri Lake Animal Hospital & Referral Centre in Winfield, BC, is looking for a dedicated **full time Technical Assistant** to join our team. We are looking for great team players who would enjoy a fast-paced environment and are passionate about making a REAL difference in the lives of our patients and clients. Full disclosure - as we offer 24 hour care 7 days a week to our patients there will be weekend and night shifts as well as day time shifts!

What you need

- Previous veterinary experience is an asset
- Exceptional client service skills that build trust and loyalty with clients
- Strong communication skills and ability to work with a dynamic and diverse team
- Compassion and nurturing attitude when providing care to clients and patients
- Ability to remain calm and efficient in stressful situations
- Positive outlook and enthusiasm for learning
- Initiative in carrying out assignments independently

Your role will be

- Assisting Veterinarians and Technicians with various tasks and treatment of pet patients
- Handling and maintaining surgical equipment, including setup, cleaning and sterilization
- Providing compassionate care duties including feeding and walking patients
- General hospital maintenance including cleaning kennels

What you have to gain

We develop and recognize high performing team members! Continuous learning opportunities at annual VCA conferences and industry leading customer service training through VCA's Client Experience Program are available!

We offer competitive compensation and great benefits for eligible employees, including medical/dental, generous personal pet care discounts and more!

VCA Canada Offers!

At our core are our people – people with different strengths and interests that enrich our diversity, innovation and excellence. A team we think of as family. When you join our family, VCA Canada offers:

- Exceptional career development
- Generous personal pet care discounts
- A network of highly educated and skilled professionals!!
- And more perks!

VCA Canada Cares!

At VCA Canada we don't see an animal, we see a family member. VCA Canada embraces a culture of giving back to the communities we serve and demonstrates this philosophy through our national philanthropic program, Paw it Forward. Please visit our website to learn more; www.careers.vcacanada.com.

Monica Stiller
Hospital Manager
VCA Canada Tri Lake Animal Hospital & Referral Centre
Winfield, B.C V4V 1V5

Dear Monica Stiller:

Please consider my application for a veterinary technician assistant position at VCA Canada Tri Lake Animal Hospital & Referral Centre. Growing up, I knew I wanted a lifelong career with animals, as I don't see working with animals as a job, rather it is seen as a passion. Having grown up raising and breeding Saint Bernard puppies, being able to assist with the dew-claw removal, the birth of the pups, microchipping, and socializing and training of the puppies defines my experience.

In 2014, I volunteered at a veterinary clinic in Brazil as well as volunteered at a Professional Championship Horse farm. Job duties included caring for and training horses worth hundreds of thousands of dollars. In 2015, I was accepted into the Animal Health Technology program at TRU and in 2016, I completed the Animal Welfare Certificate Program at TRU receiving a final grade of 99%. In 2018, being employed on weekends at a veterinary clinic supported my application to veterinary school where I was accepted into the University of Queensland. As you can see from my enclosed resume, I have completed numerous animal certificates as well as started a Kennel and Dog grooming business during the summer months.

My previous experience working in veterinary clinics in Canada, Australia, and Brazil has allowed me to develop compassion and loving care to the animals. The ability to remain calm in any given situation and to give dedication and take initiative each day is one of my many strengths.

I have worked extremely hard to develop the skills, qualifications and experience needed to be an outstanding veterinary technician assistant. My excellent interpersonal skills and my passion for animals have prepared me to work in a team-based setting and to communicate professionally concerning the owner and their pets.

If my work experience meets your needs, please contact me at 250-446-2400. I look forward to working with you and your team.

Sincerely,

Sydney Storie

Objective Veterinary Technician Assistant with opportunity for advancement.

Animal Nursing and Caring Skills

- Learned how to care, feed, exercise, and groom many animals from cattle, dogs, llamas, horses, pigs, cats from a young age.
- Raised and bred Saint Bernard's, assisted in dew-claw removals, microchipping and socializing and training of the puppies.
- The birth of the pups cultivates my passion for animal welfare, compassion, and nurturing attitude to care for others.
- Cared for sick calves with pneumonia and cryptosporidium.

Surgical Skills

- Participated in surgeries to administer drugs, shots, take blood, and x-rays.
- Worked as a veterinary assistant in spays and neuters, fractures, and rod replacements.
- Serviced farrier and routinely attended house calls with veterinarians.

Education

Currently attending the University of British Columbia - B.A., Major in Psychology – September 2016 to November 2020.

Kettle River Veterinary Services
7480 4 St
Grand Forks, BC V0H 1H0

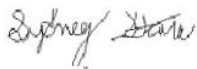

Dear Dr. Ruth Sims,

I hope all is well at Kettle River Veterinary Services. I am applying for a veterinary technician assistant position at VCA Canada Tri Lake Animal Hospital & Referral Centre. As you are aware, this has been a veterinary hospital I admire greatly, and I am well-suited for the available position as I have the necessary credentials and experience. I am writing to kindly ask you for a letter of reference for my application as a veterinary technician assistant at VCA Canada Tri Lake Animal Hospital & Referral Centre.

It has been an absolute pleasure working alongside you as a veterinary technician at Kettle River Veterinary Services. I have learned life-long experiences and have developed stronger practical, surgical, and communication skills throughout the past 3 years. In particular, I valued attending the rural house calls combined with the large animal experience as this is not something that most clinics offer.

Thank you very much for taking the time to read my letter. I would be appreciative if you could take the time to provide me with a letter of reference to enhance my application. I have enclosed my resume online for your reference. If possible, please email the letter of reference to s.storie@alumni.ubc.ca before August 16, 2020.

Sincerely,

Sydney Storie

Grand Forks Central Veterinary Services
8120 A Donaldson Dr
Grand Forks, BC V0H 1H0

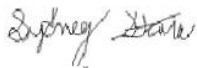

Dear Dr. Carol Sholtz,

I hope all is well at Grand Forks Central Veterinary Services. I am applying for a veterinary technician assistant position at VCA Canada Tri Lake Animal Hospital & Referral Centre. As you are aware, this has been a veterinary hospital I admire greatly, and I am well-suited for the available position as I have the necessary credentials and experience. I am writing to kindly ask you for a letter of reference for my application as a veterinary technician assistant at VCA Canada Tri Lake Animal Hospital & Referral Centre.

It has been an absolute pleasure working alongside you as a veterinary technician at Grand Forks Central Veterinary Services. I have learned the necessary skills needed to be comfortable and to remain calm while in an ER setting. Over the past couple of years, I have valued your empathy towards patients and their pets as well as I have admired the skills you have put forward in thoroughly training me as a veterinary technician.

Thank you very much for taking the time to read my letter. I would be appreciative if you could take the time to provide me with a letter of reference to enhance my application. I have enclosed my resume online for your reference. If possible, please email the letter of reference to s.storie@alumni.ubc.ca before August 16, 2020.

Sincerely,

Sydney Storie

Boundary Pharmacy
612 6 Ave
Midway, BC V0H 1M0

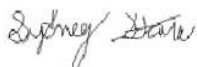

Dear Dr. Cris Bennet,

I hope all is well at Boundary Pharmacy. I am applying for a veterinary technician assistant position at VCA Canada Tri Lake Animal Hospital & Referral Centre. As you are aware, this has been a veterinary hospital I admire greatly, and I am well-suited for the available position as I have the necessary credentials and experience. I am writing to kindly ask you for a letter of reference for my application as a veterinary technician assistant at VCA Canada Tri Lake Animal Hospital & Referral Centre.

It has been an absolute pleasure working alongside you as a pharmacy technician at Boundary Pharmacy. I have learned the necessary skills needed to be comfortable counting, filling, administering and prescribing medications to clients. Working with you has given me the knowledge behind different drugs and prescription medications, this is essential for a veterinary technician job. I appreciate the time you spent with me describing the dosage of drugs, the different types of medications and their side effects, as well as how to communicate professionally to clients regarding their prescription needs.

Thank you very much for taking the time to read my letter. I would be appreciative if you could take the time to provide me with a letter of reference to enhance my application. I have enclosed my resume online for your reference. If possible, please email the letter of reference to s.storie@alumni.ubc.ca before August 16, 2020.

Sincerely,

Sydney Storie
