Dear Dr. Ruth Sims,

I hope all is well at Kettle River Veterinary Services. I am applying for a veterinary technician assistant position at VCA Canada Tri Lake Animal Hospital & Referral Centre. As you are aware, this has been a veterinary hospital I admire greatly, and I am well-suited for the available position as I have the necessary credentials and experience. I am writing to kindly ask you for a letter of reference for my application as a veterinary technician assistant at VCA Canada Tri Lake Animal Hospital & Referral Centre.

It has been an absolute pleasure working alongside you as a veterinary technician at Kettle River Veterinary Services. I have learned life-long experiences and have developed stronger practical, surgical, and communication skills throughout the past 3 years. In particular, I valued attending the rural house calls combined with the large animal experience as this is not something that most clinics offer.

Thank you very much for taking the time to read my letter. I would be appreciative if you could take the time to provide me with a letter of reference to enhance my application. I have enclosed my resume online for your reference. If possible, please email the letter of reference to s.storie@alumni.ubc.ca before August 16, 2020.

Sincerely,

Sydney Storie
