Dear Ms. Lucia Tran,

I am writing to you to request that you kindly provide a reference for me as I begin my job search for the summer. As you may know, I am completing my undergraduate studies in statistics and sociology in the upcoming year from the University of British Columbia. As my previous employer from Zooey Magazine, I believe a reference from you will give me the opportunity to work for Lucasfilm.

Please, let me know if there is any information you would require for the reference letter. You can reach me at [michelle.m.zaporojets@gmail.com](mailto:michelle.m.zaporojets@gmail.com).

Thank you in advance.

Sincerely,
