

FREN 101: chapitre préliminaire: le vocabulaire de base = basic vocabulary. From pp. 26-27

VOCABULARY TO REVISE FOR THE QUIZ (2): how to use the iLrn flashcards + answers to practice quiz

- [preparation for the quiz](#): see especially pp. 26-27 of your *Horizons* textbook.
- If you go to your ebook (this is on [iLrn](#)), you will also find the whole preliminary chapter's vocabulary there.
- Amongst the supplementary materials--for example on pp. 26-27--there are active virtual flashcards for vocabulary.

Please note that there are several routes to these, this is just one; and there are also a number of other clickable items in the textbook that lead to audio files... :

- Click "review vocabulary" and a set of flashcards will appear, for all the vocabulary in the chapter:

- On each card: the first thing you'll see will be the French term – click the "sound" icon on the card for the word in French to be read aloud to you (you can then repeat this, like karaoke, to practise pronunciation) - and "flip" the card to see its English equivalent:

## Instructions

Flashcards are intended for self-study. Your work will not be saved once you close your browser window.

### Viewing Flashcards

You can view the Flashcards in three different ways by selecting one of the options in the **View** drop down menu located at the bottom left of the screen. Your three options are: term first, definition first, or term and definition at the same time. You also have the ability to see all cards, or just the ones you deem unlearned. The **Jump To** drop down menu located at the bottom right of the screen allows you to jump to a specific term. While viewing your cards, you have the ability to **Flip** your current view of the card by clicking on **Flip** located at the top right hand corner of the card. Also, check of the **Card Learned** box at the top right hand corner of the card to indicate the card is learned. Once a card is marked *learned* it will not show up again for review.

### Navigating Flashcards

Use the buttons at the top right hand of the flashcards screen to navigate between cards in a pack.

### Resetting a Pack

Clicking on **Reset Pack** will purge your learned cards and assemble the pack from scratch.

### Shuffle Pack

Clicking on **Shuffle Pack** will shuffle the cards in the pack in a random order.
