

Full-time UBC MBA Program Journey

Program schedule may be subject to change

Business Strategy Integration:

Skill development courses in managerial decision-making across disciplines, perspectives and cultures, including integrated case days, client presentations, and business case coursework.

Foundation Courses:

Mandatory courses for learning and applying key business discipline foundations—from Investment Theory to Marketing.

Track Courses:

Specialized courses for developing the advanced skills and knowledge required for students' chosen career tracks.

Career & Professional Development:

Mandatory personal and professional development programming, including immersive Career Weeks, networking events, industry speakers, mock interviews and offer negotiations. Optional opportunities for mentoring, training programs and company visits. See Pages 10-11.

Optional International Exchange:

Opportunities to expand international perspective and experience at one of 34 distinguished partner business schools around the world. See Page 4 for more information.

Optional Global Network Week & Online Courses:

Online courses offered by institutions in the Global Network for Advanced Management that can be taken and counted as credit towards the UBC MBA. Students may apply to travel to a member school during Global Network Week, a week-long immersive experience with MBAs from other Global Network schools.

Electives:

Courses chosen from a number of optional subjects that allow students to broaden their knowledge.
