How do you see the role of the CMA?

How often do you read the CMA newsletter?

Most important issues for placer miners now and for next 5 years

CMA 2016 SURVEY RESULTS

How do you see the role of...?

President

The president is seen as a leader of the CMA who is responsible for representing the views of members as well as liaising with government officials. They are also a figure head who chairs meetings and therefore informs members of new regulation.

Vice President

The vice president is responsible for assisting the president with their duties. They should also be able to take the role of presidency if needed.

Treasurer

The treasurer is responsible for keeping records of incoming and outgoing money. They should also ensure the CMA has enough funds for its interests.

Cooperate Sponsors

Cooperate sponsors are important to ensure the CMA has the equipment and supplies needed. They are needed to ensure longevity of the association.

CMA Members

Through active involvement, CMA members provide resistance to government regulation and show support for small scale mining.

Secretary

The secretary is responsible for keeping records of members and ensuring their is communication between the committee and members.

What else would you like the Executive Committee to know about the present and future role of the CMA to be the best representative body for your industry? How could the website help accomplish this goal?

- ★ more interactive and up to date website
- remain active in lobbying for recognition from government ★
- ★ increase outreach, especially with younger members to ensure longevity
- more up to date information on changing government regulation ★
