## 'Reading Strategies, Poetry & more!'

in 1 book: 'Love that Dog!' - Diana Cruchley

AM- 'Love That Dog' is a fabulous book; the students love it, You can read it aloud in less than an hour and it lends itself to great discussions and terrific lessons. Use it to teach multiple reading strategies, a journal program and inspire students in a poetry unit. Diana's Cruchley provides wonderful strategies and each participant will receive a copy of the book!

TTOC or just got a short term contract? Carry it with you & you're ready for an hour, a week or more of LA lessons!

## 'Start UP! Simple Machines!'

AM- Simple Machines is a great unit for rainy weather. The use of simple machines and the scientific method have created the world around us. Get your students testing, recording and measuring, organizing info and sharing with others. We will build science, writing & math skills through interesting activities and share easy ways for you to enable students to create and build machines to complete a task.

## 'Start UP! Your Class Successfully\*'

PM- Learn how to be ready for a 1st class or short term contract, or build your career as a TTOC. Learn an overall strategy and specific techniques to reduce conflict and deal with it smoothly. Get of lesson suggestions, strategies, ideas and checklists you can use for your first week with your new class and as a TTOC, in **The First Week of School, a 33 pg. book.** Learn about resources and the Start UP! support network. **Start Up! your class prepared & confident!**

## 'The Power of Extreme Writing'

PM- Students who write too slowly, and can't "ideate" quickly fall further and further behind as subjects become more demanding. BUT...how do we enhance fluency and keep it engaging long enough to succeed? Extreme Writing is a totally new journaling program. Leave with a plan for the year, and a method of assessing student capacity. The brain loves novelty and this worksop includes 7 unique strategies to keep the program novel, with multiple ideas for each strategy, creating a year of refreshing unexpected choices for your grade 4-9 students.
