

The background is a light gray gradient. It is decorated with numerous realistic water droplets of various sizes, some with highlights and shadows, scattered across the frame. In the upper center, there is a faint, circular watermark of the United Nations logo.

STEEL IN OUR WORLD

BY: MARSHALL HACKER

A black and white micrograph showing a dense, irregular network of cells or tissue. The cells are polygonal in shape, with prominent, bright, thin lines representing cell boundaries or membranes. The interior of the cells is darker and has a granular texture. In the lower center, the text "400 μm" is printed in a white serif font. Below the text is a solid white horizontal scale bar.

400 μ m
