To get to the city centre **by train (recommended)**:

The easiest and fastest way to get to and from the airport is by train. Train, bus and tram stops are all integrated in the airport complex so there are only short distances to walk from the arrival areas. Once you have claimed your baggage, follow the signs “Bahn/Railway” to the underground train station on the lowest level of Terminal B. You will find ticket machines or a train ticket office on the floor above the platforms. Tickets must be purchased before boarding since no tickets are sold on trains. Ask for a single ticket to Zurich Main Station or “Zürich HB”. A one way ticket costs 6.60 Swiss Francs (app. 5.20 EUR). You can use the same ticket for all trams and buses in the city centre within the time slot printed on the ticket. Trains run between the airport and Zurich main station every 10 to 15 minutes (transfer takes approximately 10 minutes).
