The International School of Sanya

1. About The International School of Sanya (TIS)

The International School of Sanya (TIS), a K-12 school, was founded by professional educators who are enthusiastic, passionate, and have a long-standing commitment to education. The school is devoted to integrating high-quality curricula from different countries; fusing of Western and Eastern cultures; combining the best of our environment to provide every child with a strong foundation for a successful future and personal character development. TIS is the only International School for foreign passport holders in Hainan Province.

The school was established in 2014 in the beautiful community of Senerity Coast in Sanya City, Hainan Province, China.

Curriculum:

- ✧ 85% International Program +15% Chinese as Second Language Program;
- ✧ Instructed by professional and experienced foreign teachers in small group classes;
- ✧ Encourage students to explore and understand Chinese language and culture

The facilities and programs are the best in Sanya, in Hainan, and in China! For more information, please refer to the website: <http://www.tis-sanya.com/>.

3. About Sanya

Sanya, known as China's Hawaii, is located on the southern end of Hainan Island making it the most southern city in China. It is a tropical city characterized by blue skies, clear blue water, and white sand beaches. Its fresh air, clean water, and pristine environment make it a great place to live here.

As the only beachfront tropical city in China, Sanya boasts a 258 km long coastline, has a total of 19 bays and beaches, and enjoys over 20 meters of water visibility.

The tropical forests there are well worth discovering. Five forest parks, including Yalong Bay Tropical Paradise Forest Park, Phoenix Park and Linchun Park, make the city more like a nature reserve with an excellent ecological environment and air quality.

Sanya is the home of paradise islets. Its surrounding islands are gifted with spectacular scenery, stunning tropical sunsets, superb hospitality, state of the art infrastructure and world class hotels and resorts.
