

Research Project: Inspiring Choreographers

Goal: To learn more about a choreographer of your choice that inspires you. Learning more about the choreographic process to give you ideas when choreographing yourself.

Directions for the research paper

- a. Pick a choreographer of your choice
- b. Research project components to include:
 1. Biography
 2. List of choreographed works
 3. Choreographic style
 4. Most popular works and who performed them
 5. Attach 4 pictures that represent the choreographer's pieces
 6. Include the web link to a review/editorial about his/her choreography
 7. Explain what you admire about this choreographer's work
 8. Include the link of 2 dance performances by this artist and explain why you chose them
- c. Research project must be written on the computer and include a bibliography
- d. +/- 1000 words in length

This list below is NOT extensive... you may choose someone else from any dance style of your choice.
