<b>Job Location:</b>	Vancouver, BC
<b>Country:</b>	Canada
<b>Duration:</b>	8 months
<b>Job Description:</b>	<p>Requisition ID: 281885 Work Area: Software-Design and Development Expected Travel: 0 - 10% Career Status: Student Employment Type: Intern</p> <p><b>Duration: 8 months</b></p> <p><b>COMPANY DESCRIPTION</b> SAP started in 1972 as a team of five colleagues with a desire to do something new. Together, they changed enterprise software and reinvented how business was done. Today, as a market leader in enterprise application software, we remain true to our roots. That's why we engineer solutions to fuel innovation, foster equality and spread opportunity for our employees and customers across borders and cultures. SAP values the entrepreneurial spirit, fostering creativity and building lasting relationships with our employees. We know that a diverse and inclusive workforce keeps us competitive and provides opportunities for all. We believe that together we can transform industries, grow economics, lift up societies and sustain our environment. Because it's the best-run businesses that make the world run better and improve people's lives.</p> <p><b>What is SAP iXp?</b> SAP's Internship Experience Program (iXp) is SAP's global, paid internship program that provides university students with the opportunities to find purpose in their careers.</p> <p><b>Three reasons to apply for SAP iXp</b></p> <ul style="list-style-type: none"><li>• Culture of collaboration: Meet with mentors, make new friends across the globe and create a thriving personal network.</li></ul>

	<ul style="list-style-type: none"> <li>• Project-driven experience: Gain cross-functional skills from our virtual and in-person learning sessions, diverse subject matter experts, and project deliverables.</li> <li>• Gain visibility: With iXp in your title, you'll have a global network of SAP leaders, entrepreneurs and career development opportunities at your fingertips.</li> </ul> <p><b>ABOUT THE JOB</b></p> <p>From the day you join, you will work with team members to find creative ways to develop and test features.</p> <p>You will also:</p> <ul style="list-style-type: none"> <li>• Contribute to hands-on coding and design.</li> <li>• Develop software end-to-end: elaborating requirements, coding features and automated tests, and troubleshooting and resolving production problems.</li> <li>• Gain experience working on a codebase by figuring out and improving code.</li> <li>• Embrace lean and agile software development principles.</li> <li>• Develop, maintain and execute automated tests.</li> <li>• Learn from others on the team through code reviews, sprint demos, knowledge sharing sessions and regular 1-on-1 coaching.</li> <li>• Grow in leadership, presentation and other soft skills.</li> </ul>
<p><b>Job Requirements:</b></p>	<p><b>ABOUT YOU</b></p> <p>Do you want to collaborate with a team to learn and contribute in solving complex problems? Would you like the opportunity to hone your skills while growing personally and professionally? Do you want to help us build our next generation cloud analytics platform in a fast-paced startup culture that has the stability of SAP?</p> <p><b>WE'RE LOOKING FOR SOMEONE WHO</b></p> <ul style="list-style-type: none"> <li>• Enjoys working on meaningful projects and is energized by lifelong learning.</li> <li>• Dreams big and has a passion for delivering reliable and well-tested software.</li> <li>• Likes to work with a motivated team who strives for similar goals.</li> </ul> <p><b>WHO YOU ARE:</b></p> <p>We're looking for someone who can challenge the status quo and likes to stay curious. You enjoy working on meaningful projects and are energized by lifelong learning.</p>
