

Formal Report Survey

I am an undergraduate at UBC in a technical communications class. The purpose of this survey is to obtain primary data for an analysis and investigation that aims to provide recommendations to improve the science student experience with the Science Undergraduate Society at UBC. The final report will be addressed to the Science Undergraduate Society president. Together with the AMS election data and interviews, this survey will help provide recommendations to improve student participation and build a stronger community. This survey contains 8 questions and should take approximately 2 minutes of your time. Your responses are voluntary and anonymous. Thank you, I appreciate your generous participation in my survey.

- 1) What year are you in? _____
