Dear Cheryl Douglas,

I wish to apply for a position as a Teacher-on-Call with the Vancouver School District #39. I was informed of this position by Dr. Karen V. Lee, my University of British Columbia Faculty Advisor. Currently, I'm completing my Bachelor of Education degree with a specialization in Secondary Music Education. Although this is my specialty, I have had a great deal of experiencing teaching children and adolescents and am confident in all fields of English, Social Studies, and Physical Education courses in Teacher-on-Call contexts. I am also interested in Elementary Music Education and have completed classes from UBC that has allowed me to gain more academic training in this area. In the future, I will take Orff and Kodaly classes to further my understanding of other methodologies.

I am incredibly excited to apply my knowledge and abilities into creating a comprehensive, safe, and fun learning experience for all students. I am an energetic, inviting, and passionate individual, and I feel confident that my character will be an asset to encourage students to reach their full potential and personal growth. The reason I want to become an educator is because I saw first-hand the transformative power a passionate teacher can have on a student. Personally, I struggled as a student because I suffered behavioural issues. Through every conflict, there were educators present to spend time with me and to show their deep concern and empathy. They provided me with a supportive learning environment I needed. When I found my passion in music, I blossomed as a student. I want students to be provided with the immense opportunities for success and self-growth that drastically impacted my own life. A positive experience in education is built upon respect, passion, and trust which I want to achieve with my students.

Please find my resume and application attached to this letter for your examination. I look forward in excitement to hearing from you. Please contact by phone at: (604)-537-4438 or by Email at [johnlogan567@gmail.com](mailto:johnlogan567@gmail.com). Thank you for considering my application.

Sincerely,

John Logan, B. Mus., B. Ed.
