Dear Ms. Wilson.

I hope you are doing well in Victoria!

I am applying for a tutoring job with IWE Study & Consulting teaching high school Math and Science and I am writing to ask if you are comfortable with me listing you as a reference who can speak about my qualifications during my time as a Senior Orientation Leader for UBC Orientations.

During my time as a Senior Orientation Leader, I have learned so much from you in terms of communication, teamwork, and adaptability. I wish to transition those skills into a teaching environment, helping students improve their academic ability.

Thank you for your consideration and please let me know if you are willing to be listed as a reference. If you have any questions, please let me know at kevingonzalez224@gmail.com.

All the best,

Kevin Gonzalez

Dear Ms. Cotterall,

I hope you are doing well at Vancouver College!

I am applying for a tutoring job with IWE Study & Consulting teaching high school Math and Science and I am writing to ask if you are comfortable with me listing you as a reference who can speak about my qualifications during my time as a Spanish tutor during my time as a student.

Working with you has given me the opportunity to learn about lesson planning, directing and setting goals towards each student's needs, and insight to how to improve my teaching methods. I wish to implement what I've learned from you in this new teaching environment.

Thank you for your consideration and please let me know if you are willing to be listed as a reference. If you have any questions, please let me know at kevingonzalez224@gmail.com.

All the best,

Kevin Gonzalez

Dear Mr. Yue,

I hope you are doing well in Japan right now!

I am applying for a tutoring job with IWE Study & Consulting teaching high school Math and Science and I am writing to ask if you are comfortable with me listing you as a reference who can speak about my training qualifications and teamwork during my time as a coop student at Kinexus.

Working under your supervision, I've learned a lot about designing experiments, discussing results, and identifying areas of improvement when conducting research. I would like to take the skills I've learned from you and apply them towards a teaching role.

Thank you for your consideration and please let me know if you are willing to be listed as a reference. If you have any questions, please let me know at kevingonzalez224@gmail.com.

All the best,

Kevin Gonzalez
