

## Google Sketch Up Final Assignment

For this final assignment you have a choice:

- 1) Create a 3D sketch of the below 1 floor apartment/house floorplan
- 2) Find your own 3D sketch of a house/apartment. Submit it to Mr. McGregor for approval and then create a 3D sketch of it
- 3) Submit a picture of the front of your house which you will recreate

### **PLUS**

Recreate the interior of 1 room of your house  
(note you will erase the roof and 1 outside wall  
of your house in order to reveal the interior)

### Marking

The assignment will be marked according to the attached “**SketchUp Assignment Rubric**”
