Nora Franzova
Mathematics and Statistics Department Chair
Langara College
100 W 49th Ave
Vancouver, BC V5Y 2Z6

Dear Dr. Franzova,

Hope all is well. Through Calculus II course that I took with you in Spring 2015, you've witnessed my passion for math and dedication towards my education. I was hoping that you would be comfortable with providing me a reference letter that will be used in my application for a position as a software developer in Vision Critical.

You're a great individual who have inspired me to pursue a further education in Mathematics and supervised me during my study in Langara College, both directly and indirectly. I believe a letter of reference from you will provide the best description of me. The deadline of the application is July 24th, and I would appreciate it if you can complete it by then.

Thank you for the time you've taken to read this request. Attached below are the information of the job posting, and my application package, that includes resume and cover letter. If you have any questions, please do not hesitate to contact me through phone: 778 316 8611, or email: lanidiana09@gmail.com.

Best regards,

Lani Diana

Dear Prof. Friesen,

Hope all is well. I am writing to request you with a reference letter that will be used in my application for a position as a software developer in Vision Critical.

I was hoping that you would be comfortable with providing me a reference that can comment on my reliability and work ethic while I worked under you for these past two years. You're both my supervisor as a marker and tutor, and I believe a letter of reference from you will provide the best description of my work ethic and personality. The deadline of the application is July 24th, and I would appreciate it if you can complete it by then.

Thank you for the time you've taken to read this request. Attached below are the information of the job posting, and my application package, that includes resume and cover letter. If you have any questions, please do not hesitate to contact me through phone: 778 316 8611, or email: lanidiana09@gmail.com.

Best regards,

Lani Diana.
