Social Learning Analytics

❖ Consideration of social learning analytics (Ferguson & Buckingham Shum, 2012) provides a foundation for evaluating team-based interactions.

Teams

❖ Recognition of team competencies (McIntyre & Dickinson, 1997; Vivian, Falkner, Falkner, & Tarmazdi 2016), team models (Kniberg & Ivarsson, 2012), and development stages (Tuckman & Jensen, 1977).
