

Science World's *Community Scientist Initiative* program transforms scientists, researchers and other science-based professionals into community science communicators and ambassadors. Community scientists engage visitors at TELUS World of Science by delivering activities and experiences that explore current science and research. This program supports Science World's mission of engaging British Columbians in science and inspiring future science and technology leadership in our province.

UPCOMING TRAINING WORKSHOPS ARE SCHEDULED FOR:

WEDNESDAY, FEBRUARY 24, 2016
3PM-7PM

THURSDAY, FEBRUARY 25, 2016
3PM-7PM

IF YOU ARE A SCIENTIST OR RESEARCHER, WHO WOULD LIKE MORE INFORMATION OR ARE EXCITED ABOUT SHARING YOUR RESEARCH AND WORK WITH THE COMMUNITY BY JOINING THE *COMMUNITY SCIENTIST INITIATIVE*, PLEASE CONTACT:
