Satya Tripathi

Satya led the United Nations Office for REDD+ Coordination in Indonesia (UNORCID). He's currently the Chief executive of the US\$1 Billion Tropical Landscapes Finance Facility (TLFF) a partnership which aims to provide an innovative financing mechanism for smallholder farmers and rural villages. Satya is also the new Senior Advisor, 2030 for Sustainable Development, UN Environment.

John Innes

John Innes is Dean of the Faculty of Forestry at the University of British Columbia. He teaches in the field of international forestry and is a member of the Advisory Group on Forestry Education of the Food and Agriculture Organization of the United Nations among many more. He is actively involved with climate change research and in 2007 was part of the IPCC team that shared the Nobel Peace Prize with Al Gore.
