

FILM SCREENING AND PANEL DISCUSSION

All Our Father's Relations

Thursday, May 31, 2018

7:00 pm - 9:00 pm (Doors open at 6:30 pm)

Science World, Science Theatre, 1455 Quebec Street

The screening will be followed by a Q&A with Sarah Ling (Producer), and a facilitated panel discussion with Alexandra Henao-Castrillon (migrant workers' advocate), Howard E. Grant (featured historian), and Hayne Wai (historian). Explore the erasure of Indigenous and minority communities' local food contributions, and our shared responsibility to advance justice in our food system.

All Our Father's Relations tells the story of the Grant siblings who journey from Vancouver to China in an attempt to rediscover their father's roots and better understand his fractured relationship with their Musqueam mother. Raised primarily in the traditions of the Musqueam people, the Grant family and their story reveal the shared struggles of migrants and Aboriginal peoples today and in the past.
