

BUSINESS ACCELERATORS IN THE FOOD AND AGRI-TECH SECTOR

Jessica Taylor

Jessica Taylor worked with Bioenterprise British Columbia as the Acting Regional Manager and supported clients across the country in her role as Senior Analyst. Jessica relocated to British Columbia in 2016 to spearhead the organization's expansion into western Canada. As acting Regional Manager, Jessica worked with stakeholders across British Columbia to build a diverse and sustainable ecosystem to support the growth of agri-tech and food companies. Jessica has a keen interest in project management, organizational behaviour and building meaningful strategic relationships.
