

2nd Annual Geomatics Career Networking Event

Hosted by the Master of Geomatics for Environmental Management program, (MGEM).

We will start with brief overviews from participating organizations. Following the presentations, each organization will have a table where students can ask further questions (e.g., regarding employment opportunities).

All graduate-level students are welcome, however, an RSVP is required: please visit mgem.forestry.ubc.ca/ to sign-up online by January 31, 2019.

1:00–3:30 pm, Friday, February 8
Robert H. Lee Alumni Centre, Jack Poole Hall,
2nd Floor, 6163, University Boulevard, Vancouver V6T 1Z1
