

wicked PROBLEMS AND INTERDISCIPLINARY SOLUTIONS

NEXUS Interdisciplinary Conference

Wicked problems cannot be solved. Incomplete, contradictory, or evolving information makes it impossible. So, where do we start?

Join graduate students and faculty from across campus & departments who will share their solutions, lessons learned, and failures as they confront wicked problems head-on.

Thursday March 21, 2019

9:00 am – 5:00 pm

5:00 pm – 7:00 pm Social @ Gallery Lounge*

GSS Loft (4th floor of the UBC Nest)
