

Science World's *Community Scientist Initiative* program transforms scientists, researchers and other science-based professionals into community science communicators and ambassadors. Community scientists engage visitors at TELUS World of Science by delivering hands-on experiences that explore current science and research. This program supports Science World's mission to ignite wonder and empower dreams through science and nature.

UPCOMING TRAINING WORKSHOP IS SCHEDULED FOR:

Tuesday, September 3, 2019
3PM–6PM

Wednesday, September 11, 2019
3PM–6PM

IF YOU ARE A SCIENTIST OR RESEARCHER, WHO WOULD LIKE MORE INFORMATION OR ARE EXCITED ABOUT SHARING YOUR RESEARCH AND WORK WITH THE COMMUNITY BY JOINING THE *COMMUNITY SCIENTIST INITIATIVE*, PLEASE CONTACT:
