

COPYRIGHT FOR YOUR THESIS: HOW TO USE IMAGES AND OTHER MATERIAL

GRADUATE PATHWAYS TO SUCCESS AND
SCHOLARLY COMMUNICATIONS AND COPYRIGHT OFFICE

Are you in the midst of writing your thesis? Are there images or portions of published manuscripts you are planning to use in your thesis? Do you have concerns over how copyright laws could delay your thesis submission?

In this session you will learn:

- to examine your thesis for copyright compliance
- the laws relating to using copyrighted images
- to identify copyright material
- about creative commons licenses
- about using material from online resources
- about author rights

Details and Registration:
