1PM-4PM

Building core skills & confidence

## INNOVATION & IMPACT

JAN. 23, 2020  
4PM-7PM

Preparing for independent research

## ACCOUNTABILITY & PERSEVERANCE

Ongoing mentorship & community support

### GRADUATE RESEARCH FOUNDATIONS

## SKILLS FOR RESPECTFUL RESEARCH

Does your research have the right impact?  
How do you know you are not causing harm?

Register for the Graduate Research Foundations skills-building workshop series to enhance your ethical and anti-oppressive research. UBC graduate students from all disciplines and experience-levels are welcome. Each session is developed and facilitated by your peers to meet you where you're at. Snacks included!
