

MEDICAL RESEARCH COMMITTEE MEMBERS NEEDED

Want to gain more experience & learn new skills? Volunteer with VOKRA!

At VOKRA we are proud to be able to take care of all of our rescue cat's needs. Join a great team who meet once a month to research all aspects of our cat's health and write and review policies to maintain a high standard of care within VOKRA.

You should be willing to commit at least a few hours a month to research and write policies, be able to attend the monthly meeting and be enthusiastic! A background in medicine, animal care or research is ideal. A minimum six month commitment is expected.
