

MEDICAL TEAM MEMBERS NEEDED

Want to gain more experience & learn new skills? Volunteer with VOKRA!

At VOKRA we are proud to be able to keep our cats healthy and happy with minimal stresses by taking care of a lot of their medical care ourselves. We are currently seeking medical team members who can help administer vaccinations, Sub Q fluids, oral medication, clip nails, brush cats, give flea baths and more!

Medical team volunteers are expected to take on one regular weekly shift of a few hours in our East Van operations centre.
A minimum six month commitment is expected.

Interested? Have Questions? Want to apply?

Apply online at vokra.ca/volunteer or
