Q PET EDUCACIÓN AMBIENTAL PROJECTS

Q Pet Educación Ambiental is a non-profit organization whose main objective is to raise awareness of environmental issues among young people.

This organization is committed to the attainment of sustainable development by promoting practices such as recycling, waste sorting and composting.

The strategy of the organization is based on three pillars:

- Team work
- Creation of Strategic alliances between companies, universities, NGO's and the Government
- Creation of benefits for the entire community

STUDENTS PROFILE

- Intermediate Spanish
- Teaching abilities
- Interest in learning about environmental issues in Latin America
- Research skills
- Initiative & Creativity
- Selection process

We will select up to 3 students. If you are interested in the program please send the following documents:

- Motivation letter (max 800 words)
- Resume

WHAT THIS PROGRAM IS NOT

- An opportunity to party
- Merely a travel experience
- A half time project
- Although you will have lots of fun, free time and cultural traveling, the main focus of the program is to improve your ability to share your knowledge with the community

CAMPUS QUERETARO'S EXPECTATIONS

Campus Queretaro is looking for students who:

- Wish to make the most of this opportunity.
- Are committed to work hard and improve the lives of others.
- Are willing to share their knowledge with local people.

STAFF AND COMPANY

You will be sharing this experience with other international and local students and volunteers.

HOUSING

Tecnológico de Monterrey – Campus Querétaro offers the opportunity to live with a host family. The students would be able to experience the Mexican culture, improve their Spanish and enjoy Mexican life from a closer perspective.

The fee for living with a host family includes:

- Three meals per day
- Individual Bedroom
- Internet access
- Laundry facilities
- Cleaning two days per week

HEALTH INSURANCE

Each participant must provide evidence of holding a valid health insurance policy with comprehensive coverage in the host country for the duration of the academic period in which the student will be involved. Students at ITESM Campus Querétaro are obliged to purchase the health insurance policy offered by Campus Querétaro; this insurance will include coverage for repatriation of remains and Civil liability.

ORIENTATION SESSION

Tecnológico de Monterrey Campus Querétaro will give a welcome orientation session. During the orientation session, different practical topics will be exposed: City guide, safety issues, emergencies and medical services, sightseeing, shopping, restaurants, campus regulations, program generalities, etc.
