

UNIVERSITY OF BRITISH COLUMBIA GRADUATING CLASS OF 2017/2018

Who We Are!

Evangelos Photography Ltd. is the **official** studio taking care of the graduation photography services. Evangelos is providing the photograph and session that everyone must take for the yearbook and composite as a FREE gift for the long-standing partnership between us and your department !

Graduation Photographs

Individual Photographs

The graduation photographs are a series of photographs that are taken with you in the academic regalia, as well as formal dress, or casual clothing. Each student may bring *one* change of clothing if they desire; however, casual clothing is not mandatory. Please note that Evangelos will be providing all necessary UBC caps, hoods and gowns. Photographs of you in the UBC regalia are required to be included in the yearbook and composite.

Group Photographs

Group photographs are welcome! We always encourage students to bring their family or loved ones in with them. Each student from the graduating class is entitled to one free group session with their sitting. If you wish to have photographs taken with an additional group, a special rate of \$15.99+tax per extra group will be charged. Group photographs are to be taken at the same time as your individual photographs; no separate appointments are needed!

Deposit

There is a refundable \$45.00 cash deposit that you are required to place at the time of your sitting. This deposit will be credited towards your order for final photographs if placed prior to your 60 days from the date of your sitting; however, if you do not wish to order any photographs there are no obligations! Your deposit will be refunded back to you as long as you come into the studio *with your receipt* before your 60 days are up. If you do not inquire about your \$45.00 deposit within your 60 day time limit, the deposit will be forfeited meaning unfortunately, you will not get it back even if you have placed an order.

F.A.Q.

Q: How does the photo session work?

A: First, photographs will be taken of you in the UBC regalia for the purpose of the composite, thereafter a variety of shots will be taken in all three of our camera rooms, including the library and white room. In addition we can take photographs without the gown in any outfit of your choice! Whether that may be a dress, casual wear, or even sports apparel; however, casual clothing is not mandatory.

Q: Can I bring any props or pets with me to the session?

A: You are most welcome to, we are pet-friendly! Bring in your favorite costume, stuffed animal/toy, instrument, even your sports equipment. Be creative! As long as it can fit through our door- you're good to go! Need ideas on what to bring? Check out some of our samples posted on our Instagram page: @EvangelosPhotography!

Q: Where to get dressed?

A: You may come prepared all dressed up, or you may get dressed in our dressing rooms. Please come with all your makeup applied or bring your make up bag for any touch-ups. If you do wish to change, ensure that you inform our receptionist and are to arrive 15-20 minutes earlier than your actual appointment.

LADIES:

Q: What should I wear?

A: We suggest a white or light coloured blouse with a collar is best. Long sleeves also help to shape the body when wearing the gown. Casual/formal shoes, such as flats or heels, also look great!

GENTLEMEN:

Q: What should I wear?

A: We suggest a white or light coloured dress shirt with a tie is best. Colour coordinate your tie with your department sash! Dark socks paired with casual/formal shoes are always good!
