

3) Write a C Major scale on the staff below in whole notes.

Write an A Harmonic Minor scale on the staff below, using an accidental on the raised 7th scale degree

How are these two scales related? _____

4) Scott, Karen, and Peter are trying to play "Happy Birthday" for John's birthday party. Scott plays flute, Karen plays the oboe, and Peter plays the Bb clarinet. They are all reading from the same piece of sheet music that they found on the internet. However, when they tried to play together, it didn't sound very good.

Assuming that Scott, Karen, and Peter are reading the notes and playing them properly, what went wrong?

Do you think John enjoyed his birthday song?
