

## UBC Nightlife/Party/Event Safe Spaces Survey

Hi there!

My name is Michaela Basciano, and I am the Internal Director for The Calendar at UBC. I am also a student consultant and advocate for the Sexual Violence Prevention & Response Office (SVPRO).

I am conducting this survey for two primary reasons:

- 1) I'm doing a research report for one of my summer courses (ENGL 301) on a topic I'm very passionate about
- 2) I'm hoping to use some of this data as a part of my work at The Calendar and SVPRO to make tangible changes at our university in regard to nightlife / party / event safety.

This survey is for those of you who may want to give feedback, see changes, or share your experiences from attending parties or events on the UBC Vancouver campus.

The survey is 3 sections. The first two are all mostly multiple choice and check boxes. The third section is short answer (all of which are optional). Your responses are voluntary and anonymous.

If you are a part of a group who plans events for students at UBC, you can find that survey here: [Link]. I appreciate and thank you for your participation.

If you have any questions, concerns, or would like to read up on my research proposal before answering this survey, please do not hesitate to contact me at [michbasc@gmail.com](mailto:michbasc@gmail.com).
