

To Whom It May Concern:

My name is Kevin Liu. I am in grade five. I go to Sir Wilfred Laurier Elementary School. Ms. B. is my private English tutoring teacher. She comes to our house every Saturday at 10AM for 90 minutes. She teaches me and my sister Jessica editing and grammar skills. She helps us to understand the books we are reading. She also helps us to improve our writing skills.

I like Ms. B. because she is patient and kind. She also has a reward program to encourage us to do things that we don't like to do. She also has tons of great ideas like chewing gum for people that have a hard time of focusing. She is also willing to take her time to make worksheets and do research on the internet to help us. At the end of each session, she also plays a fun game with us if we could finish all our work on time. Ms. B is the best tutor I have ever seen!

Please email me for any questions at kevin161617@gmail.com.

Sincerely,

A handwritten signature in black ink that reads "Kevin". The letters are cursive and slightly slanted to the right.
