

Assignment 2: Science Fair Proposal [5]

Names: _____

Block: _____

Names: _____

Project Title:(the one that will go on your display)

Briefly explain the topic you are focusing on, or the idea you are working from, or the question you want answered:

Write your hypothesis (remember a correct hypothesis is NOT a question. Also, it references what you will test, and what you think will happen. Often people use the format shown below)

"If I do this.....then this will happen....."
