- Reliable and hard-working student excellent at collaborating with others and individualistic tasks.
- Exceptional communicator with experience communicating with individuals of varying technical backgrounds.
- Self-motivated learner who can adopt and apply new concepts quickly.

PROJECTS

Covid-19 Collection Centre Locator

- A Covid-19 Collection Centre Locator GUI built from scratch that allows users to search for Covid-19 testing sites in their city or health authority and filter their results according to their preferences. Project uses data persistence to allow users to add a collection centre to a list and save/load it for future reference.
- Project is built using **Java**

PROFESSIONAL EXPERIENCE

Pott's Education Studio   **Richmond, BC**
Science and English Tutor   March 2016-Present

- Creates a personalized lesson plan according to a student's needs and feedback to communicate high school biology, chemistry, and physics concepts to students in a clear and concise manner.
- Organized and streamlined the company library by transforming the physical library into a digital library, which eased the transition from in-person classes to online classes due to Covid-19.
- Marks and collaborates with other homework markers to ensure all homework is marked correctly, includes sufficient feedback, and returned to the student in a timely fashion.

Domino's Pizza Company   **Richmond, BC**
Customer Service Representative   July 2014-October 2016

- Maintained a professional look and attitude while dealing with customer questions and concerns.
- Completed tasks in an efficient manner during peak hours to ensure orders are completed within fifteen minutes.
- Managed deliveries and delivery drivers to ensure orders arrived at their destination within the promised delivery time.
