Description

We are complete health-focused dental practice and we are looking for an amazing registered dental hygienist to join our team. Our team is a passionate group of professionals creating a caring environment for each other and our patients so that we all have incredible experiences of health, well-being, balance, and joy. We believe in a work/life balance and provide an awesome 4-day work schedule to leave time to recharge yourself and enjoy other passions in life. We provide an excellent salary package with bonus incentives and benefits. The ideal candidate will have a minimum of 5 years of dental experience, have worked with a periodontal program, have excellent communication and clinical skills to create five-star experiences for our patients and teach them about their oral and overall health. We are looking for an enthusiastic, outgoing, accountable, proactive, organized individual who pays attention to all the details involved with taking care of our patients. It is important to our team and patients that we find the right individual to join our team, so we are being very selective in our interview and hiring process. Please forward your resume and cover letter in confidence to click apply
