

LAB_03: Thursday, September 26
Second Draft of Research Project Materials

(Refer to the Lab Guide – Research Manual: Lab #3 and to the Lab Guide – LAB Assignment Examples
AND to the feedback you received on your LAB_02 assignment.)

TEAM #: _____

Members Present:

Members Not Present:

Start your materials on the NEXT page. This document needs to contain your cover story/vignette, your research questions for your DVs with response scales. You have ONE page to present this to participants. You can use two pages though for each level/condition of the IV – the only difference between the pages should be the manipulation of the IV will be different on each page.
