

LAB 10: Tuesday, November 12
First Draft of Your Research Presentation Poster

(Refer to the Lab Guide – Research Manual: Lab #10 and to the Lab Guide – LAB Assignment Examples.)

TEAM #: _____

Members Present:

Members Not Present:

Today you will create your research poster to share your results at the PSYO 270 Research Presentation Conference.

Poster Title: Please think of a title for your poster and include it below.

Each team member must have a specific role in order to receive credit. Ensure that you have all the sections on your poster assigned to team members. Roles include writing that section for the poster and presenting that section at the conference.

Group Member A: Introduction _____

Group Member B: Method _____

Group Member C: Results _____

Group Member D: Discussion, Strengths and Limitations, Take-Home
Message _____
