

Singapore

Affectionately known as the 'Little Red Dot', which refers to how this tiny island nation is depicted on the maps of the world, Singapore is a destination not to be missed! Its geographically strategic location at the heart of Southeast Asia and its global connectivity puts it in a great position as a gateway to Asia.

Why Singapore ?

A global business hub, with regional headquarters for the world's largest MNCs

One of the most competitive economies in the world

Rich culture of art, history, architecture, food, leisure activities and festivities

Multi-cultural society respecting each other's beliefs and practices

One of the safest countries in the world

International reputation for academic excellence

NUS Business School is among the world's leading business schools. It is distinctive for offering the best of global business knowledge with deep Asian insights, preparing students to lead Asian businesses to international success and to help global businesses succeed in Asia. Our School has distinguished international faculty known for their research quality and great teaching.
