

EGADE Business School  
Tecnológico de Monterrey

**EXCHANGE  
FACT SHEET  
2025-26**

---

## Why Mexico?

Mexico is one of the best countries in the world to study abroad; its cultural and historical wealth can be experienced through its tourist destinations, cuisine, architecture, archeology, and arts and crafts.

Due to its geographical location, it enjoys pleasant weather all year round. Any season marks a good time to discover the identity of this country rich in traditions.

Mexico is a country with history, customs, and traditions that can be discovered while studying here.

The Mayan and Aztec civilizations flourished here. Once immersed in the country, it will be difficult not to fall in love with its roots and, above all, its people.

# Monterrey

## A city for exponential growth

**Study and develop your professional career in a city where growth and transformation are the norm.**

Thanks to its work culture, the presence of important global companies and its proximity to the United States, Monterrey has positioned itself as one of the most important economic centers in Mexico and Latin America.

By studying in Monterrey, you will have access to a dynamic business environment and the chance to position yourself within national and international companies. Alongside, you will connect with entrepreneurs and businessmen who will help you expand your network and enrich your vision and perspective on business.

The second **largest city** in Mexico

**Home of renowned companies** like CEMEX, Vitro, FEMSA & Grupo Alfa

2nd state with the **highest foreign investment** in Mexico

**2 hours away** from the US border
