Bocconi Health & Safety

Bocconi University manages on-campus services and activities in compliance with the indications of local and national authorities. Bocconi has obtained the **Biosafety Trust Certification:** the first certification system created to provide a set of benchmark best practices to minimize the risk of spreading epidemics in public and private gathering places.

The University is doing its best to guarantee the highest level of safety on campus:

- ✓ **Ambulance** with 2 paramedics present on campus Monday through Friday
- ✓ Permanent **on campus medical center**: a first-level internal medicine service for the Bocconi community. An **infirmary** is active on campus Monday through Friday
- ✓ **Bocconi Emergency Number**: to report all emergencies on campus
- ✓ **Control Room**: to monitor the campus video surveillance system real time
- ✓ **SOS Stations**: 4 columns in the external areas of the campus connected to the Control Room
- ✓ **Campus Security Service**: operators perform a patrol service on campus
- ✓ **Walking Companion Service**: to and from the university residences located off campus

Diversity, Equity and Inclusion

Bocconi is committed in fostering social mobility, inclusivity, diversity and sustainability for students, faculty, staff and visitors.

The Dean for Diversity and Inclusion is a core anchor for advancing a culture of equal opportunities. With a close collaboration of Committees, Diversity Delegates and Inclusion Service, the group acts as a promoter and control room to transform the University's commitment on Diversity and Inclusion issues into action.

GOAL

Bocconi University aspires to be perceived as **home of diversity, intercultural understanding, community engagement, inclusion and sustainability**.

The strategic goal is to create together - students, faculty and staff - a united and inclusive community regardless of **gender, gender identity, religion, national origin, ethnicity, socio-economic background, sexual orientation, disability or other needs.**

TASKS

- **Setting** underrepresented groups of students **for success through dedicated support programs** (e.g. Forced Migrants and 1st Generation Students)

- Creating an **inclusive environment** and implementing **physical and digital accessibility projects**

- **Empowering** students with **disabilities, learning disorders** or **health issues** by tailoring their university experience based on individual specific needs

- **Raising** the community **awareness** through seminars, events and cultural initiatives

- Preventing and opposing any forms of **discrimination**
