Steve Barnett
Chief Operating Officer
QuadReal
Vancouver, BC V6C 2X8

Dear Mr. Barnett,

I thrive in an environment where I can focus my dedication to environmental engineering, creating lasting relationships, and giving back to the community. I am a professional who believes inefficiency, engagement, health, and innovation. I want to change the world by developing and implementing Environmental Management Systems. This is my personal mission that I will use to advance my career.

Working for QuadReal is my single most important priority. I am the perfect choice as your sustainability analyst because I have proven experience in driving down tenant costs, improving building performance on green certifications, team optimization, environmental audits, and learning to increase building excellence and sustainability.

My proven record working with advanced knowledge of utility data, and my ability to adapt to different communication styles illustrates my ability to learn and grow in a dynamic environment. I am highly-motivated with a passion for sustainability in commercial real estate, environmental impact assessment, and environmental consulting and safety.

I am most passionate when I am Facilitating training sessions to educate property teams, employing analytical decision making to solve problems, and improving client relations.

You may reach me any time of the week at 12507135089 or at rickwlbryant@gmail.com, I can't wait to move forward on this opportunity!

Sincerely,

Richard W. L. Bryant
