

OBSERVATION OF TEACHING No. 5

Teacher:

Observer:

Date:

Types of Questions:

Count the different types of questions that the teacher asks.

e.g. Level I - Isolated facts:

"What is this layer called?"

Level II - Relating two or more facts to derive an answer:

"How are the cats similar to dogs?"

Level III - No simple answer, requires exploration:

"What do you suppose might happen?"

Level I	Level II	Level III
