

Job Listing: Business Analyst For Swiggle Inc. Toronto, ON

Business Analyst Intern We're searching for a smart, business minded, technically savvy Intern to join our Toronto team as a Business Analyst and help build the next generation of our platform. This role will play an instrumental role in driving our growth by producing the research, analysis and reporting that will inform our business decisions and strategy. If you're a wizard with spreadsheets, have an impressively analytical mind and are not afraid to deep dive into the details, we want you to help us grow Swiggle across North America.

Qualifications:

We're Looking For We're looking for teammates that are ambitious, filled with ideas, always curious, honest, down to earth, and excited to be a part of our journey as we build the next big global fin-tech company. Some of the qualities we're looking for:

- Strategic thinker that can articulate a vision for how to scale Swiggle
- Relentless innovator with an entrepreneurial spirit • Team player who can also work independently at times
- A "get it done" attitude where no task is too small • Gifted analyst who's comfortable working with large/complex data sets
- Detail-conscious, organized, responsible, and dependable
- Genuine interest and vision for how consumers shop and save online • Can work productively with tight deadlines and changing conditions
- Willingness and ability to assume additional duties and assignments as needed
- Constant focus on performance and results
