# adding a recording / simulation to a course

1. While you are in your course file, right click on one of the pages.

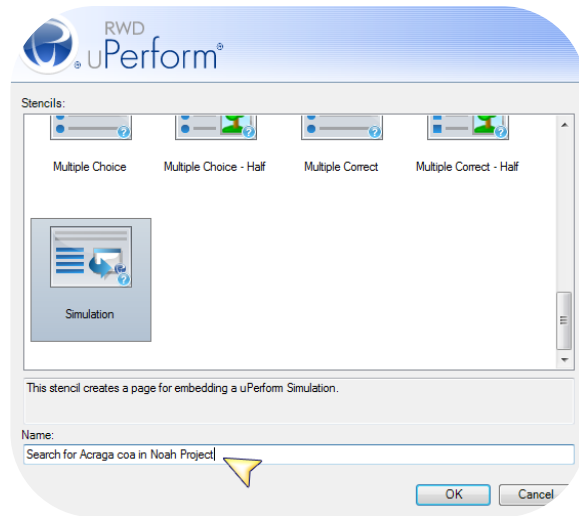

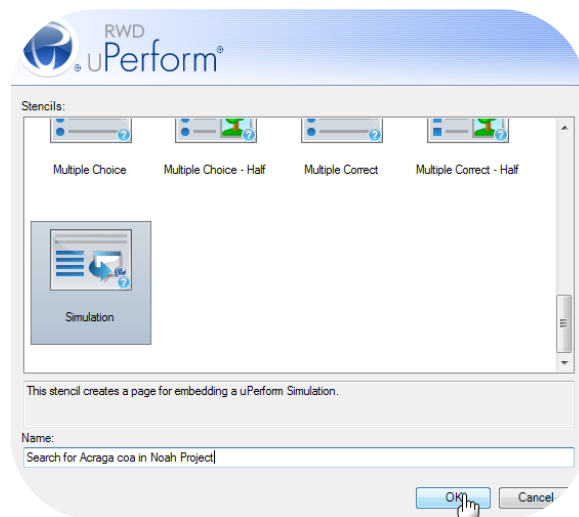

2. Select 'Insert Page'. A new window displays.

3. Select the 'Simulation' stencil.

4. Type in the name of the page in the 'Name' field.

5. Click 'OK'.

6. Click 'Browse for a simulation' at the bottom of the new page. A new window displays.

7. Click on the '…' button. A new window displays.
